## Reduced Prices to Market Gardeners and Florists

For years it has been our policy to sell to market gardeners at reduced prices. Not since 1889 have we sold through retail dealers. Both our customers and ourselves have found this direct-to-planter selling method a real advantage, insuring as it does, economy and fresh seeds. Half pounds may be ordered at pound rates; half pecks at peck rates; half bushels at bushel rates; not less than 6 bulbs at the dozen rate; not less than 25 at 100 rate; not less than 250 at 1000 rate.

*All goods are offered subject to being unsold on receipt of order, and we reserve the right to change prices without notice.*

## Special Terms

Cash with order, or satisfactory bank reference. Money may be sent by post office or express money order, draft, check or registered letter. We will send C. O. D. by parcel post or express, orders amounting to \$15.00 or over if one-fourth of the amount is remitted with the order to guarantee acceptance. We cannot send C. O. D. by freight.

MAULE'S SEED WAREHOUSE.

## Sow More Seed and Produce Bigger Crops

The United States must increase its exports of foodstuffs overseas, and too much cannot be said at this time on the necessity of raising more food than ever.

For 42 years we have sold vegetable seeds to market gardeners at reduced prices, and last year we were asked so often to quote prices on flower seeds and bulbs, that we have included in this price-list such as can be easily grown and will prove a profitable investment along with the sales of vegetables and a constant source of pleasure in your garden or lawn.

Sprayers, spraying materials, tools, etc., have also been included in this list. If there is anything that you want not offered in this list, write us and we will be pleased to quote you our best prices.

We take this opportunity to thank our many customers for their liberal patronage in the past, and trust you will favor us with your order for all you will need next season.

## What Maule Does

### We Prepay Shipping Charges

We pay freight or express charges, our option, to your nearest railroad station on all orders for small seeds amounting to \$10.00 or over. Transportation charges are not prepaid on orders containing heavy seeds, such as peas, beans, corn, potatoes, roots, vegetable plants or onion sets.

### We Make No Charge

For bags, boxes, barrels, or packing, nor for delivery to freight, boat or express offices in Philadelphia.

### We Will Ship Your Order Promptly

You will find it advantageous to order all the seed you will need at once, so as to have your full supply reserved. If you wish, we will ship the seeds for early planting at any date you name, and hold the balance of your order to be shipped later.

## What You Should Do

### Order Early

Be sure to get your order in early. While our supply of seeds should be adequate, yet the demand is certain to tax us heavily. The earlier you order the more certain you are of having seeds exactly when they are needed for proper planting. Mail, express and freight are sometimes delayed, so order *early*.

### Accurate Address

Write your full name and complete address on every order. Give your post office address and name of state and county. If you have a post office box or live on an R. F. D. route, please give the number. If the goods ordered are to go by freight or express, give shipping directions and the name of the railway station where goods are to be delivered.

The *safest way* to send money is by *post office money order*, *express money order* or *bank draft*. On all amounts of \$1.00 or over you may purchase your money order or register your letter at our expense. Stamps will be acceptable as cash.

## Maule's Remarkable Four Leaf Clover Guarantee

**1. Safe Arrival.** We guarantee that all goods sold by us, except perishable plants, will reach the customer in good condition.

**2. Money Insured.** We further hold ourselves responsible for the safe arrival of all remittances sent by post office money order, express money order, draft, check or registered letter.

**3. As to Delivery.** We guarantee to deliver free of all transportation charges to your nearest railroad station all orders amounting to \$10.00 or more, if for *small seeds only*. On orders for small seeds less than \$10.00, or for peas, beans, corn, potatoes, onion sets, roots, bulbs, plants, tools, etc., we will not pay carrying charges, but such articles as can be mailed, we will deliver by parcel post if you will remit the amount of postage required with your order.

**4. As to Crops.** We give no warranty, expressed or implied, as to the description, quality, productiveness or any other matter of any seeds, plants and bulbs we send out, and we will not be in any way responsible for the crop. If the purchaser does not accept the goods on these terms, they are at once to be returned; but we do *guarantee* that we will use every effort to send you the best seeds, plants and bulbs procurable, of such varieties as you may order.

What more could be asked? We guarantee everything but the crop. Protected from loss by this most liberal of guarantees, you can rest assured of the most entire satisfaction.

By express, not prepaid, 250 for \$2.00;  
\$7.00 per 1000.

RUBY KING PEPPER.

# Our Frost Proof Cabbage Plants Will Double Your Profit — Why?

We cannot guarantee safe delivery of these plants, owing to congestion and possible delay of all transportation.

Our responsibility ceases on delivery to the postoffice or express company. No plants shipped C. O. D.

There are a number of sea islands along the South Carolina sea coast where the soil and climatic conditions are just suited and well adapted for growing tough, hardy frost proof cabbage plants during the winter and early spring. The seed is planted in the open field; the plants make a slow but steady growth, until at 8 to 10 weeks of age they are very tough and hardy, the buds are purple and the outer leaves a reddish brown. When in this condition they can be shipped to territory further north and planted in the open ground a month to 6 weeks sooner than the home-grown hot bed or cold frame plants could be planted. These plants have stood a temperature of 8 to 10 degrees above zero without injury, the land freezing, or the plants being covered with ice, sleet or snow after they are planted will not injure them.

The top of the plant does not grow until your regular spring weather opens up, but the roots grow from the time they are planted and just as soon as spring weather starts, the established root growth assimilates the fertilizer in the soil, the plants grow very fast, maturing headed cabbage 10 days to 3 weeks sooner than you can mature them from hot bed and cold frame plants. You know what the difference in profit will be if your crop is matured and marketed before the general crop from home grown plants is matured.

TO GET THE ADVANTAGE OF THESE FROST PROOF CABBAGE PLANTS THEY MUST BE PLANTED A MONTH OR SIX WEEKS EARLIER THAN YOU WOULD PLANT HOME GROWN PLANTS.

Our cabbage plants are grown from the best Long Island grown seed and are shipped direct from our growing stations in South Carolina by mail or express. We can fill orders from December 1st to April 20th.

The plants will be somewhat wilted and have a hard, stunted appearance, which will be disappointing to persons who have never used these plants before. Regardless of appearance, they will produce the results.

Can supply only the following varieties of frost proof cabbage plants: Early Jersey Wakefield, Charleston or Large Wakefield, Succession and Early Flat Dutch.

By Mail, 40 cents per 100; \$1.60 per 500; \$2.75 per 1,000, postpaid.

By express, purchaser paying charges, 500 of any one kind for \$1.25;

in lots of 1,000 to 4,000 at \$2.25 per 1,000;

in lots of 5,000 to 9,000 at \$2.10 per 1,000;

in lots of 10,000 or more at \$2.00 per 1,000.

By express, plants are packed 500, 1,000 or 2,000 to the crate and must be ordered in these quantities. They can be shipped to any point where they will arrive within 4 or 5 days.

## MAULE'S SUPERIOR FLOWER SEEDS

904 AGERATUM, LITTLE BLUE STAR.

If wanted by parcel post, add postage for weights given.

## Bug Death

An efficient insecticide which contains no deadly poisons. Now largely used instead of Paris green—safer, just as effectual. Can be used on all plants, trees or vines dry, or it can be mixed with water and applied with a sprayer. Bug Death kills all insects, and also prevents blight. By express or freight not prepaid, 1 pound, 20 cts.; 3 lbs., 40 cts.; 5 lbs., 60 cts.; 12½ lbs., \$1.15; 100 lbs., \$8.00.

## Hammond's Slug-Shot

For the destruction of potato bugs, chinch bugs, rose bugs and slugs, curculia and all lice, worms or caterpillars. By express or freight, not prepaid, 1-lb. carton, with perforated top, 20 cents; 5-lb. pkg., 55 cents; 10-lb. package, \$1.00.

All goods listed in this Price List are subject to market changes without notice

## MASTER'S RAPID PLANT SETTER.

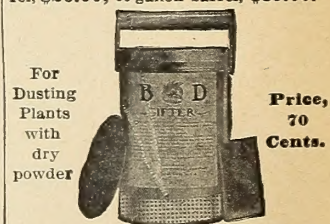

Makes transplanting easy. Will set, water and cover in one operation such plants as cabbage, cauliflower, celery, pepper, tomato, tobacco, sweet potato or any similar plants. One man with this planter can set 10,000 to 15,000 plants per day. In setting plants in dry weather, this planter will give each plant half a cup of water at the roots the moment they are put in the ground. Saves labor. Weight 7 pounds. By express or freight, not prepaid, \$5.00 each.

**ANT DESTROYER.** (Richardson's)—A non-poisonous liquid which is positively effectual for destroying ants and their eggs on lawns, tennis courts and putting greens, without injuring the sod. Full directions for using plainly printed on each can. By express or freight, not prepaid, 1-quart can, 45 cts.; 1-gallon can, \$1.65; 5-gallon can, \$7.75.

**FOX'S INSECTICIDE.** A perfect destroyer of all insects that feed on the foliage of flower and vegetable plants, and peculiarly effective on plant lice and rose bugs. Apply as a spray or it may be used for washing palms, rubber plants and ferns to free them of mealy bug or soft scale. By express or freight, not prepaid, 1-qt. can 45 cts.; 1-gallon can, \$1.65; 5-gallon can, \$7.75.

**READEANA.** Superior to other insecticides, inasmuch as it is harmless to flowers or vegetation, and still is a great killer of insects of every kind. Especially adapted for cleaning rose bushes, chrysanthemums, nasturtiums and flowers, of every kind of insects. By express, not prepaid, 4-ounce can 30c.; 8-ounce can, 50c.; 1 quart, \$1.35.

**SCALE DESTROYER.** (Key Brand.)—This is an oil which is instantly soluble in water. For destroying San Jose and other scales, which infest trees, shrubs, fruits, etc. This solution is ready for immediate use by diluting with water, either hot or cold. For use on dormant trees only, in fall, winter and spring. By express or freight, not prepaid, 1 quart can, 55 cts.; 1-gallon can, \$1.35; 5 gallons, \$6.00; 30 gallon barrel, \$26.00; 50 gallon barrel, \$39.00.
